

Strathcona-Tweedsmuir School is a co-educational, Grades 1 to 12 independent school situated on 160 acres just north of Okotoks and south of Calgary. We are seeking a highly motivated, enthusiastic and experienced individual to join our school as the

Plumber/Gas Fitter/Water Operator.

This position serves as part of the maintenance team that works collaboratively to provide safe and secure educational facilities that are clean, well-maintained, comfortable and attractive. Specifically this position provides leadership and technical oversight to repair, test, calibrate, install and maintain such equipment/systems as (but not limited to) HVAC, plumbing, heating, ventilation, water wells, water treatment, waste water treatment, storm water, kitchen equipment, bathroom fixtures, irrigation systems, pumps, storage tanks, delivery and circulation pumps, heat exchangers, boilers, natural gas and fuel oil systems and is expected to have a wide knowledge in these areas. This position is accountable for the operation the water treatment and waste water treatment plants in accordance with provincial legislation. The Plumber/Gas Fitter, Water Operator is accountable for modeling standards of conduct, safety, procedures, and operations while ensuring the effective and efficient delivery of services. This position is a full time, 12 month, 40 hours/week position.

The successful candidate must supply, at their expense, a current Criminal Records Check. A full job description and applications instructions are posted under the “About STS” and “Career Opportunities” menu of our website at www.sts.ab.ca. The application deadline is Monday, October 19, 2009 at 12:00 noon. We thank all who apply but only those selected for an interview will be contacted.
