REGISTER ONLINE FOR CMCEF CONFERENCE

CMCEF Middle Management Education Conference March 24-26, 2010 -

Every two years, your Canadian Mechanical Contracting Education Foundation hosts the industries top educational conference, the **CMCEF Middle Management Education Conference**. This year the conference will take place from March 24th to 26th at the Westin Harbour Castle Hotel in downtown Toronto and registration is now open. Sessions include strategies for mitigating project risk, identifying risks with Leed projects, improving productivity, managing project change, and improving performance through commissioning and retro-commissioning. Also on the agenda are sessions covering BIM (Building Information Modeling) and building collaborative customer relationships. The brochure is also available for immediate download at www.cmcef.org. For further information or sponsorship availability, please contact Tania Johnston at 613-232-5169 or by email at tania@cmcef.org. MCA CANADA MID-YEAR MEETINGS CONCLUDE

January 25-28, 2010 - The Mechanical Contractors Association of Canada had a number of highly successful meetings during our **Annual Mid-Year Meetings**. Volunteer members and MCA staff met to discuss policy issues for the short and long term. Some of the results are as follows below.

Peak Mechanical Presents Contribution to Chairman's Charity

Dave Flamand, partner in Peak Mechanical Ltd. (Saskatoon, SK), was very pleased to present MCA Canada Chairman, Bob Hoare, a cheque for \$1,000 towards Mesothelioma Research during the MCA Canada Mid Year Meetings held January 25 – 28, 2010. Mr. Hoare would like to thank everyone at Peak Mechanical for their generous contribution. Mesothelioma is a rare kind of cancer more common among construction workers who have been exposed to asbestos. To find out how you can contribute go to www.mcac.ca.

MSCC Certification Program Formally Endorsed By MCA Canada Board

Scott Munro, Chairman of the Mechanical Service Contractors of Canada (MSCC), is excited to announce that the MCA Canada Board of Directors has agreed to "formally endorse" the MSCC Certification Program presented during the Board Meetings January 28, 2010. Two other organizations, the Building Owners and Managers Association (BOMA) and the International Facilities Management Association (IFMA), have been working diligently as part of the MSCC Certification Committee and have presented the program to their National Boards for their review and potential endorsement. The MSCC Certification Program is a 2-level certification process; one for MSCC members company's and the second for individual technicians within these member companies. Contact the MSCC office at 613-232-0492, toll free 877-622-2668, or email daryl@mcac.ca for more details.

More details and results of the 2010 MCAC Board Meetings will follow in future editions of Just The Fax!
