## CANADIAN CENTRE FOR OCCUPATIONAL HEALTH & SAFETY

The **Canadian Centre for Occupational Health and Safety (CCOHS)** is a Canadian federal government agency, which serves to support the vision of eliminating all Canadian work-related illnesses and injuries.

Established in 1978, **CCOHS** is a federal departmental corporation reporting to the Parliament of Canada through the federal Minister of Labour. Their mission is to be the Canadian Centre of Excellence for work-related injury and illness prevention, initiatives, and occupational health and safety information.

**10%**  
Savings

**CCOHS** fulfills its mandate to promote workplace health and safety, and encourage attitudes and methods that will lead to improved worker physical and mental health, through a wide range of products and services.

These [products and services](#) are designed in cooperation with national and international occupational health and safety organizations with an emphasis on preventing illnesses, injuries and fatalities. We provide a variety of both public service initiatives at no charge to the user, such as [OSH Answers](#), the person-to-person [Inquiry Service](#), the electronic newsletter, and public presentations. Services for specialty resources provided on a cost recovery basis include [database subscriptions](#), [manuals](#) and training programs.

CCOHS is a proud Membership Advantage Program partner. Information can be found on the website at [www.ccohs.ca](http://www.ccohs.ca) or by calling 1 – 800 – 668 - 4284
